

PRESS RELEASE

AEROAUTO AND A.L.I. TECHNOLOGIES SIGN
PARTNERSHIP AGREEMENT FOR THE SALE OF THE
XTURISMO Limited Edition

2022/07/13

A.L.I. Technologies Inc.

AEROAUTO (www.aeroautosales.com) is again solidifying its dominance in the EVTOL/UAM industry while another manufacturer partner's with them, recognizing the superior sales and service that will be provided to their customers.

Aeroauto Sales & Service Center is facilitating the newest form of luxury transportation that radically transforms the movement of people and their cargo. Aeroauto Aeromall and A.L.I. Technologies (www.ali.jp) have announced today that they have combined their resources to bring the *XTURISMO Limited Edition* Hover Bike to the United States from Tokyo Japan. Following its American debut at the Detroit Auto Show in September, the *XTURISMO* will be on display at the showroom and flight academy of Aeroauto in Stuart Florida at Witham Field with Sky Blue Jet Aviation (www.skyblueja.com).

The *XTURISMO Limited Edition* will be showcased and Aeroauto will be taking \$20,000 reservations for its purchase with delivery predicted to be in October 2022. This latest partnership secures Aeroauto's place as the leader in EVTOL/Urban Air Mobility sales throughout the world.

A.L.I. Technologies has secured a place in the Aeroauto Showroom with its *XTURISMO* Hover Bike to be sold to both private use customers and to municipalities. Municipal use may include Police Crowd Control, Search and Rescue, Shoreline Lifesaving Services, and Forest and Aquatic Management. A.L.I. Technologies will be changing their name to AERWINS Technologies and will soon be moving their headquarters to the United States bringing the *XTURISMO* to the shores of the USA permanently. "Teaming up with A.L.I. Technologies creates a brand-new area of opportunity for Aeroauto with significantly

different areas of use for the public and more excitingly, the State and County Municipalities to use in tandem with their other vehicles. We are extremely excited to learn ...

<A.L.I. Technologies Inc.>

Under the mission statement *Changing Society from the Top Down*, A.L.I. Technologies has developed and released air mobility platform, C.O.S.M.O.S., and the XTURISMO Limited Edition Hoverbike. A.L.I. will continue to innovate, unbound by existing ideas, to develop and deploy systems that are necessary for the realization of an air mobility society.
